TO WHOM IT MAY CONCERN

It gives me pleasure to recommend to you the Chatelier Family Singers. This very dedicated family have been featured in many of our churches around Victoria as well as in regional meetings and at our annual church convention.

I sense that the Chatelier family do not see their presentations as performances but rather as a ministry through the medium of music.

I have seen congregations deeply moved by their music ministry. Indeed I have been personally blessed as I have witnessed this loving and cohesive family sing to the glory of God.
