To whom it may concern.

Recently The Chatlier Family Singers visited our church, and they participated with a musical presentation.

We receive many such requests so are always careful to screen the performers to ensure that gifted people are given the opportunity to perform. The Chatlier Family were excellent. They fitted into our service exactly as we wanted, and their music was of the highest standard.

The task of presenting inspiring worship times is seen as critical to the health of a church. This group certainly made a significant impact in that respect. My congregation asks me when they will return. This is a clear indication of their ability to make a worshipful contribution to a church service.

I am very happy to write this letter of recommendation for them, and can assure you that your church would be blessed by their participation.

With sincerity in the name of Jesus.

Pastor Howard Sharman.
